Job Status: Permanent
Location: NRW/Bundesweit
Income: €60.000-90.000

For our Customer we are searching for the following position

Senior Consultant SAP Finance & Accounting (SAP-FICO)

Our Customer:

Our customer is one of the worldwide, leading consultancy company focusing on Management and IT Consulting, Technology Services and Outsourcing. Employees work constantly with “state of the art” consultancy methods and benefit from a structured and transparent internal career and promotion system.

Your Tasks:

As Senior Consultant SAP Finance & Accounting you are an authority in your area of expertise. You will manage a team of functional consultants both on- and off-shore. You will be responsible for preparing and leading client workshops, understanding requirements and building concepts in SAP FI/CO. As Senior Consultant you will take over project team leadership tasks in which you manage people, issues, risks and status.

Required Skills:

- Very good know how in SAP FI/CO
- Good know how in SAP ERP
- Experience in project management and team leadership
- Independent and proactive working style
- Teamplayer as well as customer focused
- Strong Communication Skills
- Fluent in Englisch and good German
